After the school updates your account, you can get your instruction permit online at [www.dol.wa.gov](http://www.dol.wa.gov). If you get it online, it will not have your photo on it.
2. If you want a photo on your instruction permit or if you are not taking a driver training course, visit [www.dol.wa.gov](http://www.dol.wa.gov) to schedule an appointment at a driver licensing office to get an instruction permit with a photo.
3. Proof of identity documents are required when visiting an office. To see which documents are required, go to <https://www.dol.wa.gov/driverslicense/idproof.html>.
4. If you are under 18, your parent or legal guardian will need to accompany you. If you are an emancipated minor, you will be required to bring proof of your emancipation.
5. A permit cannot be issued no more than 10 days before course start date. The applicant will be turned away if they go into a licensing office outside the 10-day window.
6. You've indicated you wear corrective lenses. Bring them with you to the office.
